ABOUT US

Head Office

GONGA FOUNDRY LIMITED

Gonga Foundry Limited (GFL) started it's journey in 2014. The company produces a wide range of aluminum cookware products like Gass Stove, Pressure Cooker, Nonstick Cookware, Aluminum Utensils, Stainless Steel Cookware & Tableware. It also produces Tube-well, Bathroom Fittings, Welding Electrodes, Centrifugal Pump etc. Moreover, it has achieved the prestige of largest Cast Iron Foundry and Light Engineering Workshop in Bangladesh.

The predecessor of GFL is Rangpur Foundry Limited (RFL). RFL started its journey with Cast Iron (CI) products in 1980. The primary objective of the company was to ensure pure water and affordable irrigation instruments for improving rural life. With a vision to serve the general people of Bangladesh with quality products, RFL expanded its business operation to Gonga Foundry Limiter (GFL).

It is equipped with in-house R&D facilities to design and develop unique products. A well-organized, owned testing laboratory is used to ensure quality products. RFL has been awarded BSTI and ISO 9001 certificates for strict compliances with the standards set by both the organizations.

RFL has set a benchmark for competitors on the line of quality by manufacturing premium quality products to give clients excellent services and true value for money. The unmatched products have given a big name in the domestic market. This is possible because the company is professionally managed and promoted by people who ensure creativity.

আর এফ এল

Quality Never Ends

We believe in quality rather than quantity. To do so we always focus on most advanced technologies, high-grade raw materials and regular quality check test with skilled researchers and chemists in the factory premises, and that is our habit. We follow aninternational standard check list to ensure quality in our factory.

Quality Control

- A team of 35 researchers & chemists are devoted to control quality starting from raw material selection to final shipment.
- Modern lab facility along with international standard instrumentshelps us do the job more scientifically.

ISO Certification

- ISO 9001: 2015

Audit Passed

- Carrefour - social, ethical, technical & security
- Trudeau Corporation - Audited by Bureau VERITAS, Bangladesh
- KIK- Audited by STR, Bangladesh QC LABORATORY
- Walt Disney - Audited by Bureau VERITAS, Bangladesh BSCI Certifications
- SEDEX

Go Green

We are very much conscious about our lovely nature. That's why we protectour environment through 'GO GREEN' policy which leads us to initiate environment-friendly activities.
