## RANGPUR FOUNDRY LIMITED

RFL Had started it's journey with cast iron (CI) products in 1981. The initial main objective was to ensure pure water and affordable irrigation instruments for improving rural life. Now RFL is providing A-Z product solutions to the customers. This group of company producing wide ranges of products like Tube wells, Bathroom fittings ,Centrifugal pumps, Manhole cover, Gas stoves, Welding rod etc. under GONGA FOUNDRY LTD. and has achieved the prestige as the largest cast iron foundry and light engineering workshop in Bangladesh. With a vision to serve the common people of Bangladesh with quality necessary products, RFL diversified its operation into PVC category in 1996 and in plastic sector in 2003. At present it is market leader in all these three sectors-cast iron, PVC and Plastic in the country. Currently, PRAN-RFL Group is exporting to 145 countries.

It is equipped with in-house R & D facilities to design and develop new products. A well-organized owned testing laboratory is used to ensure quality products. RFL has been awarded with BSTI and ISO 9001 certificate for its strict compliance with the standard set by both the organizations.

RFL has become a benchmark for competitors on the lines of quality by manufacturing premium quality products to give clients excellent services and true value for money. The unmatched products have given a big name in the domestic market. This is possible because the company is professionally managed and promoted by people who ensure creativity
